

## Call for YOU...th MythBusters

Do you want to acquire the appropriate skills to eliminate fake news, propaganda and manipulation online? Are you a blogger, journalist or media student? Do you feel that you can undertake the role of an **Influencer** in order to increase the civic and political engagement of your peers?

We invite you to participate in the training process of the **Youth MythBuster** project, aiming at countering fake news, propaganda and manipulation online, which are big threats nowadays. The thematic areas of the training are: Civic and Political engagement, Fake News, Media Literacy and Youth, Hate Speech, Propaganda and Manipulation.

After the training, you will have the opportunity to lead a MythBusting Team in order to identify together some propaganda, fake news and/ or manipulation taking place around us.

So, what are you waiting for? Join the team and... who knows... Maybe you are the next **Youth MythBuster** of your country...

The training will be held both face2face and online in (local language).

For more information and to send your application you may contact your country's organization (check our website):

### What is Youth MythBusters?

The **Youth MythBusters** project aims at stimulating young bloggers to assume the role of the Leader and to empower their peers at risk of social exclusion (mainly NEETs).

**YouthMythBusters** aims at promoting the civic and political engagement of the latter and to fight fake news, manipulation and propaganda.
